### INFORMATION FOR ITEM 8, COMMUNICATIONS TO THE CSC

1) April 21, 2010

Joel,

We met a while back at a "green jobs summit" where we discussed energy auditor and weatherization jobs upcoming for the city of Greensboro. I just heard the news that Greensboro is getting more money from the federal government and thought I'd drop you another line on this. Do you anticipate more jobs coming from this money, and if so with whom should I speak to about this. Is Sue Schwartz who you mentioned below a good person to talk to about this? Please let me know, and any information that you could share would be appreciated.

Thank You,

Donald Rollman
